graph TD
    A[1000 subjects] --> B[500 in the experimental group  
500 in the control group]
    B --> C[Pretest]
    C --> D[Experimental group receives the intervention]
    D --> E[Posttest]
    E --> F[Follow-up]
    F --> G[Data analysis]
  
```

Figure 1 is a schematic representation of the experimental design. It is a flowchart showing the sequence of events in the study. It starts with '1000 subjects', which leads to '500 in the experimental group' and '500 in the control group'. This is followed by 'Pretest', then 'Experimental group receives the intervention', then 'Posttest', then 'Follow-up', and finally 'Data analysis'.
